

CHILDREN'S & YOUTH LEADERS
ANNUAL CONFERENCE 2020

WHOSE STORY?

A close-up photograph of a young child with dark hair, wearing a dark top, lying under a patterned blanket. The child is holding a pink flashlight to their eye, illuminating their face and the pages of an open book they are reading. The scene is dimly lit, with the primary light source being the flashlight.

WHOSE STORY?

Helping our young people live out their lives in response to **the greatest story of all**

All human beings are living in response to stories they've been told. Many young people are looking to be loved and cared for, but aren't finding what they need in superficial and transient social networks.

How can we help our young people live out their lives in response to the greatest story of all - God's love story.

How can our church communities be all-age families that our young people want to stick with long-term.
